

## By the Numbers Final

Welcome to the second of who knows how many celebrations of a Clemson CFP national championship. We won the Natty!

Unlike two years ago, the ratings and everybody else are clear as to who is the best team, at least on January 7. No “bonus” points needed to make Clemson #1. A great senior class led by the inimitable Christian Wilkins and Hunter Renfrow heads to the pros. They did it well, and they did it the right way!
